## *Message from the Principal*

No one can ignore the phenomenal services rendered by Government Zamindar Postgraduate College, Gujrat in the field of education and towards enlightenment of the students. The individuals, who link themselves with this stupendous institution, get equipped with remarkable qualities required for a challenging practical life. This is because of an equal attention paid to education and training in this glorious center of learning.

The teachers saturated with a passion to teach, prefer this institution because of their certainty of having the best youths to be taught. Govt. Zamindar Postgraduate College Gujrat is, therefore, ever beautified by the presence of remarkable teachers. This has been the pride of this institution ever since it came into existence. Because of the enthusiastic and purpose based teaching, the college stands signalized among the public sector and private institutions. My views about the college are supported thoroughly by the splendid results of annual exams every year from 1<sup>st</sup> year to Postgraduate classes.

I, therefore, invite you to study in this college and join the band of the exclusive young men, who know how to prove their glory as dynamic contributors to the national uplift.

**Prof. Ghulam Abbas**  
Principal

## INTRODUCTION

Behind the establishment of Govt. Zamindar Postgraduate College Gujrat, we can very clearly see an individual's passionate love for education and training. This individual is Nawab Sir Fazal Ali whose name will always stand glowing in the history of educational progress and promotion.

Inspired by Ali Garh University and its phenomenal contributions towards the educational uplift of the Muslims of the Sub-Continent, Nawab Sir Fazal Ali dreamed of establishing a similar institution in Gujrat to enlighten the people of this city and its neighboring areas. This dream did not remain only a dream because a vigorous practical struggle of Nawab Sir Fazal Ali worked wonders, and Govt. Zamindar College came into being as a glorious educational institution, having strength and power to produce distinguished individuals, embellished and equipped with extraordinary abilities.

The personal credibility of Nawab Sir Fazal Ali, attracted and involved a large number of people in this very noble cause of establishing a grand educational institution. The establishment of "Zamindar Educational Association" was the first step in this regard. The association, headed by Nawab Sir Fazal Ali, proved to be a great platform for the achievement of the supreme objective of spreading education.

The people of Gujrat, realizing the sincerity and commitment of Nawab Sir Fazal Ali, extended their full cooperation. The generous land donations from the people of the village Madina Syedan, and Sabowal furthered this cause and made the destination come nearer and nearer. An agricultural farm in the possession of irrigation department was also specified for the purpose of establishing an educational institution exhibiting grandeur, glory and grace. The glorious efforts of Nawab Sir Fazal Ali resulted in the establishment of Zamindar High School for Boys in 1927.

The association proved its effectiveness even more splendidly by laying the foundation of Zamindar College Gujrat in 1937, close to the robustly working school. In 1972, the Government of Pakistan nationalized both the institutions which have been working as public sector institutions since then.

### **A Glimpse of The College Campus**

### **MAIN ACADEMIC BLOCK:**

The main academic block consists of 42 class rooms and a spacious hall. In addition to that there are well equipped and the most modern scientific laboratories and a beautiful biological museum in the main academic block. The administrative Block and the staff room too are situated here. The Administrative Block consists of Principal's Office Vice principal's Office, Clerical Office and staff room.

**QUAID-E-AZAM BLOCK:**

Ch. Shafaat Hussain, the District Nazim (Gujrat) paid a very special attention to development of the college in his tenure. Through his generous aid, support and cooperation, a graceful and grand double storey academic block was constructed. It consists of twelve class rooms. This block is attributed to the founder of Pakistan, the Quaid-e-Azam. A generous donation from Ch. Khalid, an old college student, has resulted in the construction of two spacious examination halls in the same block.

**M.A/M.Sc BLOCK:**

M.A / M.Sc Block consists of two portions. The old block is known as Ch. Zahoor Elahi (Shaheed) Block, consists of ten class rooms for five postgraduate disciplines. It was constructed through the courtesy of the Punjab Government in 1986. The new M.A / M.Sc block is known as Ch. Fazal Hussain Block. It consists of four class rooms for two disciplines.

**LIBRARY:**

The glorious and historical college library is another pride of the college" and a source of knowledge for students as well as teachers. The library has a beautiful gallery and a gripping front elevation. It has a large and fine collection of books in which many are rare and are rightly called the treasure of the college.

**COMPUTER LABORATORY:**

A well equipped and the most modern computer laboratory is another distinction of the college. It consists of thirty seven dual core2 computers with all the accessories. Two projectors and a multimedia are also available for the students. The laboratory has six internet connections as well.

**COLLEGE MASJID:**

The college masjid, with all its beauty, grace, glory and grandeur stands in the center of the campus. It invites everybody's attention. The masjid satisfies the religious needs of the students, employees and the citizens also. The generous donations from the civil society and the college staff have helped a lot in the reconstruction of this grand masjid.

**HOSTELS:**

The college has two boy hostels known as Sir Fazal Ali Hostel and Allama Iqbal Hostel. At present the college is unable to provide hostel facilities to the female students. The female students have to make their own arrangements for accommodation. There are a few seats for M.A/M.Sc male students, available only on merit. Intermediate and degree students are provided hostel facilities at much cheaper rates.

**SCIENCE LABORATORIES:**

The Science labs of Physics, Chemistry, Biology, Statistics, and Psychology have been fully equipped with necessary apparatus equipments, models and charts, so that the academic needs of the students can be fulfilled in the best possible way.

**COLLEGE CAFETERIA:**

There is a cafeteria for the students in the college. The students can have necessary food items and beverages from here. Quality of the food items is checked on regular basis.

## COLLEGE MUSEUM:

The college museum is another great asset of the college. A very rare collection of stuffed and preserved birds and animals is immensely beneficial for the students. It is also a fascinating place for the visitors because of the great stuff that it contains.

## RESIDENCES:

The college has a large number of residences for the teachers and non-teaching staff. These residences are gracefully constructed for the convenience of the employees. Five more residences for the teachers have been constructed recently to solve the accommodation problem. These residences add a lot to the beauty of college campus.

## CO-CURRICULAR ACTIVITIES

The college encourages and promotes healthy co-curricular and extracurricular activities. In this regard, various functions and activities are organized by the college every year. These activities include annual sports and a regular annual cricket tournament at masters level. Program for celebrating important National Days like Independence Day, The Founder's Day, Iqbal Day, etc are arranged with true patriotic spirit. Our students take part in debate competitions, Essay writing competitions and Model Making competitions which are organized at District, Division and Province level. The college arranges special Lectures from prominent scholars. These Lectures aim at the enhancement of knowledge and character building of the students. The college magazine "Shaheen" which is published regularly every year is also a permanent joint venture of students and teacher. The students get an opportunity to display their writing talent and creativity through the magazine. The annual welcome and farewell parties are also a regular part of extracurricular activities. These functions are held under the strict supervision of teachers, so that dignity and maturity can be ensured in the presentations on the stage. These functions not only entertain the students but also enhance and encourage their creativity and talent.

<b>Duration</b>	<b>4 years</b>	
<b>Session</b>	<b>Morning</b>	<b>Evening</b>

#### Admission Eligibility

- Only the students studying Mathematics in Intermediate can apply.

### Scheme of Study

#### Semester-I

- English –I
- Calculus -I
- Introduction to Computing
- Mechanics
- GOF
- Mechanics Lab

#### Semester-II

##### Elementary Linear Algebra

- Elementary and Linear Algebra
- Waves and Oscillations
- Modern Physics
- GRF
- Islamic Studies
- Probability and Statistics.
- Waves and Oscillations Lab

#### Semester-III

- English Language Skills
- Series and Integral Calculus
- Linear Algebra
- Electricity and Magnetism
- Heat and Thermodynamics
- GOF
- Electricity and Magnetism Lab

#### Semester-IV
